VIKKI GAZIYAN

.NET BACKEND DEVELOPER | SOFTWARE DEVELOPER

Uttar Pradesh, India | +91 8272822797 | vikkikashyap2001@gmail.com | LinkedIn

PROFESSIONAL SUMMARY

Software Developer with 3+ years of experience building .NET backend applications, REST APIs and enterprise integrations. Hands-on experience with ASP.NET Core, C#, SQL Server, Windows Services, messaging platforms (WhatsApp, RCS and SMS), JWT authentication, Redis-based processing and banking APIs. Focused on secure, reliable and maintainable backend systems.

TECHNICAL SKILLS

Backend: C#, ASP.NET Core Web API, .NET Core, ASP.NET MVC, ASP.NET Web Forms, REST APIs, Windows Services

Database & Messaging: SQL Server, T-SQL, Stored Procedures, Redis, SMPP, WhatsApp Business API, RCS

Security & Tools: JWT, TLS, Git, GitHub, Bitbucket, Azure DevOps, Postman, Visual Studio, SSMS, JSON

PROFESSIONAL EXPERIENCE

Software Developer | Yoeki Soft Private Limited, Noida *Oct 2023 – Present*

- Developed and maintained enterprise web applications and RESTful APIs using C#, ASP.NET Core, MVC and SQL Server.
- Built WhatsApp Business API and RCS messaging integrations, including template-based sending, delivery status webhooks and background processing.
- Implemented Windows Services, SQL stored procedures and Redis-based messaging workflows for asynchronous processing and duplicate prevention.
- Worked on JWT-based authentication, entity access APIs and banking mandate registration/verification integrations.

SELECTED PROJECTS — MESSAGING & BACKEND

WhatsApp Business Messaging Integration

- Developed backend APIs for template messaging, token generation and message status; integrated provider APIs, request validation and webhook-driven delivery tracking.

  Tech: ASP.NET Core Web API, C#, SQL Server, Windows Services, REST APIs

RCS Messaging Platform & Redis Processing

- Built RCS send APIs and background processing for standard, rich-card and carousel messages; worked on Redis Streams, retry handling, idempotency and delivery webhooks.

  Tech: ASP.NET Core, C#, SQL Server, Redis, Windows Services, JWT

SMUC 2.0 — Authentication & Entity APIs

- Developed login, logout, OTP verification and user-entity APIs with JWT authentication, repository pattern and SQL stored procedures.

  Tech: ASP.NET Core Web API, C#, SQL Server, JWT

PROJECTS — ENTERPRISE APPLICATIONS

GoTRACK — Gold Supply Chain Management (Ghana) View project

- Built workflows tracking gold movement from miners through aggregators to the Gold Board, including transactions, approvals, reporting and traceability.

  Tech: ASP.NET Core, Web API, SQL Server, C#

A1R Water Transport System View project

- Developed transport/logistics APIs for water supply operations and integrated MS Dynamics 365 F&O for inventory and financial workflows.

  Tech: ASP.NET MVC, REST APIs, Dynamics 365 F&O, SQL Server, Windows Services

SMUC — Secure Messaging Unified Communication View project

- Contributed to an SMS messaging platform using SMPP connectivity and TLS encryption for secure communication.

  Tech: ASP.NET MVC, Web API, SMPP, TLS, C#

Zipnach — Mandate Registration Platform View project

- Developed mandate registration workflows and backend APIs to digitize data capture and reduce manual processing.

  Tech: ASP.NET Web Forms, REST APIs, SQL Server, C#

Banking Direct Debit Integrations

- Worked on HDFC mandate registration and OTP verification workflows, including encrypted API responses, bank reference updates and database persistence.

  Tech: C#, REST APIs, SQL Server, Banking APIs

TRAINING

Student Trainee | Alok Srivastava (Freelancer), Ghaziabad *Dec 2022 – Jun 2023*

- Completed six months of ASP.NET industrial training focused on backend logic and database integration.

EDUCATION

Master of Computer Applications (MCA) | R.D. Engineering College, Ghaziabad | 2021–2023 | A++

Bachelor of Computer Applications (BCA) | St. R. C College of Higher Education, Shamli | 2018–2021 | A++

ACHIEVEMENTS & LANGUAGES

College-level coding competition winner; Tech Club member and BCA Class Representative.

Languages: Hindi (Fluent), English (Professional Working Proficiency)
